Dear Ms. Wright:

We have just received this pleading from Mr. Buckley. In Paragraph 12 he states that he filed a complaint (Exhibit "1") with CDLE on January 21, 2010, "solely as a means to gather evidence". Also, Exhibit "1" contains the statement "Claimant's filing of civil action in Weld County District Court should not Preclude investigation of this matter by the CDLE," indicating that he had made CDLE aware of the lawsuit pending in Weld County. There are many allegations/statements made by Mr. Buckley in this legal pleading against our company that we are in violation of several sections of C.R.S. 8-4-109. However, Exhibit "1" is not signed.

By his submitting the Request for Mediation dated January 21, 2010, as Exhibit "1", I can only presume that he would have no problem in your official verification that this form is true and correct in its entirety, including the page titled "Additional Comments".
